

**The Essex County Council (Uttlesford) (Prohibition of Waiting, Loading and Stopping) (Civil Enforcement Area) And (On-Street Parking Places) (Amendment Number 18) Order 2022**

**Statement of Reasons**

**High street junction with Rose lane and High street, Great Chesterford**

The experimental order is required to keep the junction free of parked vehicles where it is considered that any parking is inappropriate. Removing parked vehicles at the junction will also improve safety and reduce the probability of road traffic accidents as sight lines will be improved.

Experimental Orders Section 10 (2) of the 1984 Act states that local traffic authorities in England and Wales (outside London) may make experimental orders for the following purposes:

- In the interests of the expeditious, convenient and safe movement of traffic.
